Software solutions that make your day better.

Black Mountain Software integrates easy-to-use functions and efficient processes for time-savings and improved productivity. And when software support is needed, we provide responsive, reliable and experienced assistance to ensure your results are exceptional.

Making your work day easier, more productive, and your customers happier.

Call 800.353.8829 to schedule your FREE online demo.

Proudly serving Wyoming cities from our Montana offices.

www.blackmountainsoftware.com
This directory provides information on each of Wyoming’s incorporated communities, including a current listing of elected officials and key personnel. In addition, the directory includes a listing of Wyoming’s Congressional and State Elected Officials, State Agencies, Wyoming County Commissioners, and a listing of WAM’s Sponsors and Supporters.

Elections are held in May and November, and the officials listed here are current as of January 2019. As election dates vary, please know the listing of officials and staff will change during the course of the year. We appreciate the assistance of our members who went to great lengths to assure the information provided in this directory is correct.

Make plans to join us June 12th - 14th, 2019 in beautiful Sheridan, Wyoming for WAM Summer Convention

ABOUT WAM

After operating in several organizational forms since 1928, the Wyoming Association of Municipalities (WAM) was incorporated in 1967 as a non-profit, non-partisan organization representing and serving Wyoming’s cities and towns. Every Wyoming citizen relies on quality services and facilities provided by cities and towns. This is especially true as 69 percent of Wyoming’s population lives in a municipality.

WAM’s mission is to advocate for cities’ and towns’ common interest and provide educational opportunities for WAM members.

WAM is governed by a Board of Directors composed of mayors, council members, and representatives from Great Open Spaces City Management Association (GOSCMA), Wyoming Association of Municipal Clerks and Treasurers (WAMCAT) and Leadership Training Services (LTS).

WAM OBJECTIVES:

• ADVOCATE for Wyoming’s cities’ and towns’ municipal interests regarding both state and federal legislation.

• Provide TRAINING opportunities to municipal officials and staff through the Local Government Leadership Program, which assists Wyoming communities with fundamental training.

• COMMUNICATE all things related to municipal governance, training, outreach and advocacy. Contact WAM to discover all the ways it keeps its members and stakeholders informed.

A Big Thanks to WAM’s Sponsors & Supporters

Their support helps us provide valuable experiences, at affordable costs to our members. Their involvement also allows us to connect our members with wonderful companies, associations, and organizations who are willing to support Wyoming’s municipal needs.
811 is the phone number you call before digging to protect yourself and others from unintentionally hitting underground utility lines. There are millions of miles of buried utilities beneath the surface of the earth that are vital to everyday living like water, electricity and natural gas.

811 is the federally designated call before you dig number that helps homeowners and professionals avoid damaging these vital utilities. When you make the free call to 811 a few days before you dig, you’ll help prevent unintended consequences such as injury to you or your family, damage to your property, utility service outages to the entire neighborhood and potential fines and repair costs.

At least 2 business days before you intend to dig

CALL 811

www.hkwyolaw.com

Founded in 1975, Hathaway & Kunz provides legal services throughout Wyoming. Legal services include among others local governmental and municipal bond law, banking and commercial finance, commercial litigation, and general civil practice. The firm is AV rated, Martindale-Hubbell’s highest rating and listed in the municipal finance “Red Book.”
The Joint Powers Board was formed in 1992 through the cooperation of the Kemmerer and Diamondville municipalities. The Board owns and operates the water/wastewater treatment facilities, distribution & collection systems under the direction of a seven member Board.

As a Wyoming company, we understand the challenges communities around the state face. Municipalities have a lot on their plates, which is why we work as an extention of your staff to help you tackle everything from planning and permitting to cost estimating and design for your solid waste, waste/wastewater, infrastructure, transportation, and surveying needs. Offices in Cheyenne, Casper, Lander, and Sheridan.
